# PhysChem FORUM

It is the intention of the *PhysChem* FORUM to maintain the meeting as free to attend for all delegates. Therefore we cannot cover any expense costs incurred, including those of the pre-conference dinner, however we are grateful to the host company, Sirius Analytical, for providing the venue and catering on the day of the conference and the provision of transport to and from the local hotels and the conference hotel for the pre-conference dinner and the conference meeting.

Please note that the cost of the pre-conference dinner is £45 (excluding drinks) and this will need to be paid at the time of registration, via a secure web payment system.
